

Wood Component Manufacturers Association

Technology Partner Program

The Wood Component Manufacturers Association (WCMA) has a "Technology Partnership" program to connect manufacturers and importers of woodworking machinery, equipment, tooling, supplies, software, business solutions, etc. to WCMA member companies who are qualified buyers of these products & services. This program gives you opportunities to meet with our Members while providing a forum to educate them on the latest advancements in your products and services.

Benefits:

- Participation at the WCMA 2014 Fall Conference & Plant Tour Event including:
 - Complimentary tabletop exhibit at the Wood Technology Expo including signage and basic electrical
 - Four hours devoted to Wood Technology Expo
 - Listings in Pre & Post WCMA Plant Tour Newsletters
 - Listings in Meeting Promotional Materials
 - Company Profile in Meeting Materials
 - Includes 2 complimentary registrations for the entire event which includes tours of **several** local Woodworking & Manufacturing Plants!
- Listing and description in the "Technology Partners" section of the *2014 Buyer's Guide* that will appear as a special pull-out section in Wood Products' IWF Atlanta Fair 2014 Preview Issue. This is both a printed edition and a digital online version that can be accessed throughout the year.
- Opportunity to place your own company advertisement at WCMA discounted rates in the *2014 Buyer's Guide*.
- Listing and description in "Technology Partners" section of WCMA website with a link to your company's website.
- Listing and description in "WCMA Technology Partner Newsletter"
- Receive all newsletters and updates on WCMA activities. Eligible to participate in WCMA's Multiple Employer Retirement Plan (MEP).
